
Keeping our Employees and Community Safe

Dear our valued clients,

As a part of our support to the government's fight against Covid-19, as well as our responsibilities to our team, communities, those who are vulnerable and the healthcare providers who are on the front line of this pandemic, all of our team is working from home starting Tuesday, 17 March 2020.

This is simply an extension of our earlier announcement of "Workforce Segregation", which was sent on 16 March 2020.

While there is no doubt that this situation is unprecedented, our service to our clients remains a priority.

If you have any question or concern, please contact the partner in charge of your matter.

Best regards,

Assegaf Hamzah & Partners

Rajah & Tann Asia is a network of legal practices based in South-East Asia. Member firms are independently constituted and regulated in accordance with relevant local legal requirements. Services provided by a member firm are governed by the terms of engagement between the member firm and the client.

This Update is solely intended to provide general information and does not provide any advice or create any relationship, whether legally binding or otherwise. Rajah & Tann Asia and its member firms do not accept, and fully disclaim, responsibility for any loss or damage which may result from accessing or relying on this Update.

Our Regional Presence

Based in Indonesia, and consistently gaining recognition from independent observers, Assegaf Hamzah & Partners has established itself as a major force locally and regionally and is ranked as a top-tier firm in many practice areas. Founded in 2001, it has a reputation for providing advice of the highest quality to a wide variety of blue-chip corporate clients, high net worth individuals, and government institutions.

Assegaf Hamzah & Partners is part of Rajah & Tann Asia, a network of local law firms in Singapore, Cambodia, China, Indonesia, Lao PDR, Malaysia, Myanmar, the Philippines, Thailand and Vietnam. Our Asian network also includes regional desks focused on Brunei, Japan and South Asia.
