
Assegaf Hamzah & Partners Participated in the Pre-Series A Funding of a legal marketplace start up, Justika.com

Assegaf Hamzah & Partners (AHP) recently participated in the Pre-Series A funding of Justika.com (Justika), the pioneer of legal services marketplace start-up in Indonesia. A subsidiary of HukumOnline.com, Justika.com offers technology that match clients and lawyers catering mainly to individuals and SMEs. In just a few months, Justika has already facilitated hundreds of consultations between clients and lawyers. One of its innovations is the automatic phone consultation, which provides clients with quick and practical access to lawyers.

AHP's Managing Partner, Bono Daru Adji, remarked that AHP's participation in Justika is part of its contribution in pushing for wider and easier access to legal services from lawyers to the public. Bono added that to date, public access to legal services in Indonesia remains a major challenge.

Bono further mentioned that AHP is very excited to be able to work together with Justika team with their strong technological background as it will complement AHP's effort to innovate through technology in the legal space.
